

Cobra®

Exhaust Vent for Roof Ridge

“The original Cobra® Ridge Vent—protects over 2 million homes!”

Homeowner's Best Choice

- **Vents Your Attic...** Allows heat & condensation to escape at the most effective location — the ridge
- **Looks Terrific...** 100% shingle-over design is virtually invisible when installed
- **Superior Protection...** Helps to prevent wood rot and extend the life of your exterior paint
- **Safeguards Possessions...** Helps limit mildew growth caused by damp attic air
- **Energy Efficient...** May even reduce your energy bills!
- **Watertight...** Passes the 110 mph wind-driven rain test*
- **Safer...** Helps prevent problems with insects, birds, and animals in your attic
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on a Lifetime Shingle roof**

*Under controlled laboratory conditions.

**See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

Professional's Best Choice

- **Greater Homeowner Satisfaction...** Low-profile design is hidden by ridge cap shingle
- **Easy To Install...** Quick 3-step process on roof slopes between 2:12 and 20:12. No need for complicated fitting, wrapping, connectors, or end plugs
- **Nails Included...** Includes Smart Nails™ for reliable hand installation or 1¾" coil nails for nail gun installation
- **Great Performance...** Provides 16.9 sq. in./linear foot (hand nail) or 14.1 sq. in./linear foot (nail gun) of net free ventilating area at the most effective location on the roof
- **More Reliable...** Will not crack or dent during shipping and installation; won't corrode, rust or turn brittle
- **Ridge Cap Compatible...** Options available for 10", 12" and metric width ridge cap shingles

How Much Do I Need?

Total Attic Square Footage	Recommended Length Of Cobra® Ridge Vent (Feet)*	Minimum Intake Ventilation (Net Free Area In Sq. In.)*
1600	23/28	389/395
1900	27/33	457/466
2200	32/38	541/536
2500	36/43	609/607
2800	40/48	676/677
3100	45/53	761/748
3400	49/58	829/818

*First figure pertains to Hand Nail, second figure pertains to Nail Gun
