

# Supreme<sup>®</sup> Shingles

Desert Tan<sup>†</sup>

Supreme<sup>®</sup> Shingles are a component of the Owens Corning<sup>™</sup> Total Protection Roofing System.<sup>™ ^</sup>

## Supreme® Shingles

Supreme® three-tab shingles—a smart choice when you need to balance curb appeal, weather resistance and value. Supreme shingles come with a 25-Year Limited Warranty\*, 60-MPH Wind Resistance Limited Warranty\*, and Class A UL Fire Rating—the industry's highest. Algae Resistance is also available on a regional basis. Visit [roofing.owenscorning.com](http://roofing.owenscorning.com) to learn more.

## ENERGY STAR® is for roofs too

Similar to the energy-efficient appliances in your home, roofing products can provide energy-saving qualities. Owens Corning™ Supreme roofing shingles in Shasta White can help reduce your energy bills when installed properly. These shingles reflect solar energy, decreasing the amount of heat transferred to a home's interior—and the amount of air conditioning needed to keep it comfortable. Actual savings will vary based on geographic location and individual building characteristics. Call 1-800-GET-PINK® or 1-888-STAR-YES for more information.

### Product Attributes

Warranty Length\*  
25-Year Limited

Wind Resistance Limited Warranty\*  
60 MPH

Algae Resistance Limited Warranty\*/\*\*  
10 Years

### REGIONAL COLOR AVAILABILITY MAP

\* See actual warranty for complete details, limitations and requirements.

\*\* Available without Algae Resistance in Service Area 12 (see map).

† Owens Corning strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colors and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on your home. We suggest that you view a roofing display or several shingles to get a better idea of the actual color. To accurately judge your shingle and color choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection. Color availability subject to change without notice. Ask your professional roofing contractor for samples of colors available in your area.

†† Applies for all areas that recognize Miami-Dade County Product Control Section.

‡ Applicable only in Service Area 3 (see map).

# The Total Protection Roofing System™<sup>^</sup>

Working together to help protect and enhance your home.

It takes more than just shingles to protect your home. It takes an integrated system of components and layers designed to withstand the forces of nature outside while controlling temperature and humidity inside.

The Owens Corning™ Total Protection Roofing System™<sup>^</sup> gives you the assurance that all of your Owens Corning™ roofing components are working together to help increase the performance of your roof — and to enhance the comfort and enjoyment of those who live beneath it.

<sup>^</sup>Excludes non-Owens Corning™ roofing products such as flashing, fasteners and wood decking.

Help protect against heat and moisture buildup by creating a balanced flow of air through your attic.

Help protect vulnerable areas where water can do the most damage: eaves, valleys, dormers and skylights.

Help prevent damage from wind-driven rain by providing an additional layer of protection between the shingles and roof deck.

Enjoy clean lines and faster, easier installation by eliminating the need to cut shingle tabs.

Choose from a variety of durable styles and colors that provide the first line of defense against the elements.

Help protect your roof against premature failure by allowing heat and moisture to escape from the attic.

Help protect the ridge vent and add an attractive, finished look to your entire roof.
